

## Uni-Lux Retractable Awning

by Accent Awning Company™

Don't be discouraged by inferior awning construction now flooding the market. Our intermediate level **Uni-Lux** awning sets the industry standard for quality. It's even sewn with PTFE Teflon thread and engineered from the same high-grade stainless steel found in our premium class **Elite Awning**®.

The **Uni-Lux** features an elegant, weatherproof white powder-coated frame and a spring arm system designed for multiple projections (5 ft to 8 ft). With a wide range of stunning fabrics, you can now protect sun-ravaged furniture, patios, decks and balconies. And on hot summer days, your **Uni-Lux** retractable awning will cool the interior of your home by as much as 20°.

Because the **Uni-Lux** is custom made to order in our state-of-the-art factory, nobody can match our cost effective features and numerous options. This makes the **Uni-Lux** retractable awning ideal for the cost-conscious consumer.

### San Diego

8132 Miramar Rd., San Diego, CA 92126  
Ph: 858-621-6300, Fax: 858-621-6333, License # 700678

Now it's easy to control the sun with the **Uni-Lux** retractable window awning. The **Uni-Lux** can be operated manually or electronically (by switch, remote or automatic sensor) to deliver the perfect amount of shade. Add a Somfy® motor to ensure years of quiet, trouble-free operation. All Somfy® motors and electronics are backed by a 5-year limited warranty and require no maintenance or lubrication. Be sure to ask your Sales Consultant about the wide array of options available, such as fully automated sensors, timers and remote control systems.

Choose from over 160 distinctive solid and striped colors. Sunbrella® fabric is constructed from 100% solution dyed acrylic fabric guaranteed not to fade, rot or mildew.
