

NEW!

Sunbrella® Exceed™ FR

Exceed FR delivers the look and feel of Sunbrella shade fabrics, now available in an inherently fire-retardant application that meets relevant FR codes — and more.

Inherently fire retardant and flame resistant

Self-extinguishing modified acrylic provides built-in flame resistance and fire retardancy — at the fiber level — for lasting protection.

Compatible with Sunbrella Graphics System

Take commercial awnings to the next level with custom graphics, logos, business names and more.

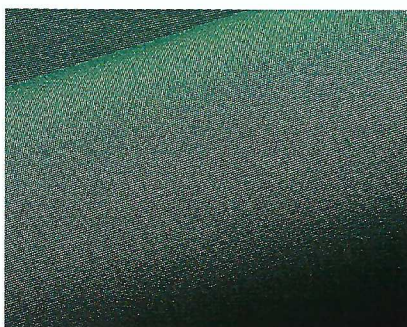

Black 8651-0060

Forest Green 8653-0060

Meets relevant FR codes and more

Passes, complies, or otherwise meets a total of 12 tests and certifications, including NFPA 705, California Title 19, NFPA 701 and CPAI-84.

Looks and feels like Sunbrella

Provides the same appearance and feel of Sunbrella shade fabric and requires no fabrication modifications.

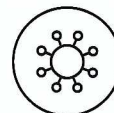

Captain Navy 8652-0060

Jockey Red 8654-0060
