

Stationary Awnings

Dome Awnings

Compliment the beauty of your home by adding a touch of classic European charm with our Dome stationary awning. Dome awnings are often referred to as a “half rounds” or “circular awnings” and are characterized by a rounded front and side view. Our Dome awnings are custom designed and manufactured to your requested specifications. Whether for small doors, rounded windows, recessed arches or large entryways, each radius is individually customized to meet the exact criteria of your project.

Sunbrella Certified Fabric

10 Year Warranty

European Charm

Accent made Dome awnings are custom designed and manufactured to your requested specifications to compliment the beauty of your home.

Long Dome

The Long Dome is a variation of our standard Dome awning. It is ideal for those who wish to maintain the pleasing visual appeal of the Dome style but have wider applications and limited overhead clearance.

Unique Style

No other awning company pays as much attention to detail with a commitment to perfection while manufacturing and installing Dome stationary awnings. When you are working with Accent Awnings®, you are in the hands of professionals.
