

Retractable Awnings

Elite® Retractable Patio Awning

The craftsmanship employed in our state-of-the-art factory makes the Elite® awning system superior to any other available today. Accent Awnings® uses only the highest quality materials to engineer the Elite® awning for the upmost in versatility, durability and elegance.

The Elite® awning comes with unbeatable options, including protective hoods, multiple hardware colors, vertical drop valances, a convenient slope adjustment system and heavy-duty arm support. Manual, electronic and remote operation choices are available. Additionally, the Elite® offers the ability to span multiple widths (6–40 feet) and six projections (5–13 feet).

20 Year limited Arm Warranty

10 Year Fabric Warranty

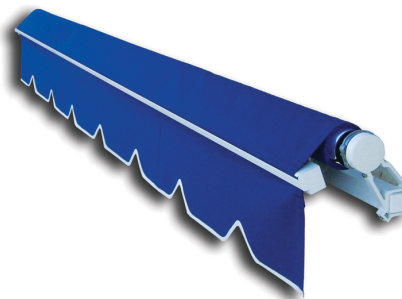

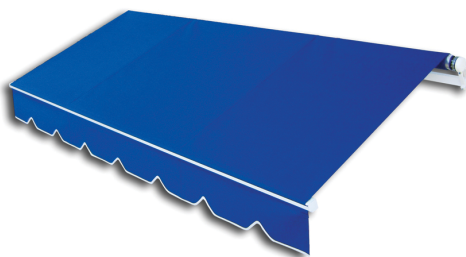

Sunbrella Certified Fabric

100+ Solid and Stripes

5 Year Motor/ Electronic Warranty

Sun When You Want It

Unlike a fixed patio cover, The Elite® awning extends to any position, without unsightly posts blocking your view. *Sun when you want it, shade when you need it!*

Ultimate Environment Control

The Elite® allows you to control your outdoor environment with a hand crank, remote or at the touch of a switch. For years, the Elite® has left thousands of homeowners wondering how they ever lived without it.
