

RETRACTABLE AWNINGS

Econo-Lux Retractable Awning

The Econo-Lux is the economical solution for those in need of retractable shade.

This retractable awning system will assure years of trouble-free operation with all the advantages of a superior awning at a superior price. The Econo-Lux awning system will lower incoming heat by as much as 23% (California Energy Report). With electricity costs in mind, an Accent Awnings® Econo-Lux can pay for itself in just a few years.

5-year Limited Arm Warranty

5-year Fabric Warranty

5 Stock Colors

The “Ready-Made” Awning

The Econo-Lux is a “ready-made” solution for those who need a quality, exterior shading system that’s still economical. The Econo-Lux is offered in pre-manufactured frame sizes and in five standard fabric colors.

Simple Options

The Econo-Lux awning comes in five different fabric colors: Bone, Hunter Green, Coastal Blue, Midnight Black and Burgundy. Optional features include sun and wind sensors, timers, remote controls and optional hoods to add to the appeal and function of your outdoor shade.
