## Sun-Pro Jr. Drop Shade

Introducing the smaller version of the Sun-Pro drop shade, the Sun-Pro Jr. is perfect for openings up to 10 feet wide and 10 feet high.

All Sun-Pro Jr. components, including the more compact four-inch box, are designed to be the perfect solution for smaller openings in need of shade. The Sun-Pro Jr. offers a fabric housing enclosed in a powder coated, aluminum box attached to mounted, vertical tracks.
