

# RETRACTABLE AWNINGS

## Uni-Lux Retractable Awning

The Uni-Lux features an elegant, white powder coated frame with the ability to span any width from 6 to 18 feet and a spring arm system designed for multiple projections (5-10 feet).

With a wide range of stunning fabrics, you can now protect sun-ravaged furniture, patios, decks and balconies. On hot summer days, the Uni-Lux retractable awning will cool the interior of your home by as much as 20°F.

 7-year Limited Arm Warranty

 10-year Fabric Warranty

 Sunbrella-certified Fabric

 100+ Solid and Stripes

 5-year Motor/ Electronic Warranty

### Best Quality for the Price

Our intermediate-level awning, the Uni-Lux, is fabricated without compromise of quality. With construction superior to that of other awnings in its category and ideal for the cost-conscious customer, the Uni-Lux retractable awning is custom-made to order in the same factory and by the same people as our Elite® class awnings. The Uni-Lux retractable awning is sewn with the same PTFE Teflon® thread and utilizes the same high-grade, stainless steel hardware as the premium Elite® awning.

### No Two Awnings are the Same

The more you look, the more you'll notice that all retractable awnings are simply not created equal. The Uni-Lux is available in a tasteful selection of 100+ fabrics and a durable white, powder coated aluminum framework.
